Invitation

Dear friends

HARObGyn first annual conference is being held in Karnal on 14th JULY 2019. On behalf of managing committee of HARObGyn, it is our proud privilege to invite you all for this annual "Maha Sammellan". HARObGyn has been made to propagate a solidarity among us, to have medicolegally safe practice for us and to improve women's health in our state by various health awareness programs for society and improve our clinical skills. It is a platform where in subsequent programs our own Haryanvi faculty will present their work. Let's join hand to make a model state in terms of Women's health.

Aao Karnal Chalein

Take out one day from your busy schedule for this unique academic-social-legal event and make it a success. Devoted session for Medicolegal safety, Urogynecology, Certificate Course on Cervical Health & PPH drill are salient features along with networking.
