Dear Colleagues,

It is my great pleasure to invite you to the Annual Meeting of the Global Interstitial Cystitis /Bladder Pain Syndrome Society (GIBS), to be held from August 22–24, 2026, in Jaipur, India.

This year's meeting is centered around the theme:

"Beyond the Bladder: Decoding Subtypes, Delivering Solutions"

As our understanding of interstitial cystitis/bladder pain syndrome continues to evolve, it becomes increasingly clear that a multidimensional and phenotype-driven approach is essential. This meeting aims to bring together leading experts, clinicians, and researchers from across the globe to explore emerging insights into disease subtypes, pathophysiology, and personalized therapeutic strategies.

The scientific program will feature keynote lectures, panel discussions, live debates, and interactive sessions designed to foster meaningful exchange and collaboration. Jaipur, with its rich cultural heritage and warm hospitality, will provide an inspiring backdrop for academic engagement and networking. We look forward to your participation in what promises to be a stimulating and impactful meeting.
